

## Steven Buduo

Steven Buduo is a contemporary sculptor from Worcester, MA. Primarily working in steel and concrete, his practice is a persistent study into the significance of space. A graduate of Bowdoin College, Buduo's formal art training consists of multiple residencies in the U.S. and Europe, including Pinea-Linea in Rota, Spain; Burren College in Ballyvaughan, Ireland; the Steel Yard in Providence, RI; and Buffalo Creek Art Center in Gardnerville, NV. In 2020 he received the Sean Scully Fellowship at Burren College of Art and in 2023 was a finalist for the William and Dorothy Yeck Sculpture Award.
